Product List

Tofu Natural & Flavoured

Organic Natural Tofu

The natural firm tofu that takes the flavour of whichever sauce or spices are added, making it our most versatile product. Whether fried, baked, grilled, or stir-fried, our natural tofu is an instant crowd-pleaser.

400 g | Shelf Life: 50 days | Article No. 170546

Organic Silken Tofu

Owing to its creamy and soft consistency, our silken tofu is great for baking and can work as a plant-based alternative to crème fraîche. From cheesecake to mouth-watering scrambled tofu, this product is commonly found in smoothies, spreads, and desserts.

400 g | Shelf Life: 65 days | Article No. 3002

Organic Smoked Tofu

Combining smoky flavours with a perfect hint of umami, our smoked tofu is the perfect substitute for bacon in pasta carbonara or ham in a healthy wrap. Whether thrown on the grill or served on top of a Caesar salad, the smoked tofu can withstand any cooking style and packs flavour into every bite.

230 g | Shelf Life: 100 days | Article No. 3021

Extra Firm Natural Tofu

This extra firm natural tofu is easy to cook, with a higher protein content and perfect amount of chewiness that can be baked in the oven, grilled, or breaded for a crispy crunch. Because it is natural, this tofu takes on the flavour of any seasoning making it effortless and flexible to cook with.

230 g | Shelf Life: 50 days | Article No. 3003

Marinated Tofu

Our full-bodied marinade combines soy sauce and fresh herbs that'll make the taste buds rejoice in a creamy pasta or fresh salad. Thanks to the firm texture, it can withstand a grill or be prepared in a frying pan to achieve a perfect browning.

230 g | Shelf Life: 60 days | Article No. 3004

Product List

Tofu, Tempeh & Vegan Spreads

Organic Fried Tofu

Our fried tofu is a juicy and crunchy option for those looking to make a quick dinner alongside pasta, stews, stir-fries or salads. A family-hit, our fried tofu can be served on its own with a sprinkle of salt paired with a delicious dipping sauce.

200 g | Shelf Life: 100 days | Article No. 3031

Natural Tempeh

Tempeh is based on fermented soybeans, packed with protein and iron, and natural in flavour allowing it to absorb the spices or sauces of a dish. A great healthy alternative to meat in tacos or to spruce up a salad bowl, our tempeh is diced for easy use in all recipe combinations.

200 g | Shelf Life: 100 days | Article No. 3231

Smoked Salmon Vegan Spread

This “smoked salmon” spread is creamy and rich in flavour, packed with dill and fresh lemon. Serve it in a salad or with pasta, or in a baguette and you won’t believe it’s made out of tofu.

200 g | Shelf Life: 60 days | Article No. 3073

Creamy Shrimp Vegan Spread

A taste of the sea delivered in a plant-based way, our creamy tofu spread with “shrimp” bites replicate the popular Swedish spread “skagenröra.” Serve it on a baked potato, on a piece of toast or as a creamy source of protein in a fresh salad.

200 g | Shelf Life: 60 days | Article No. 3071

Chicken Curry Vegan Spread

A traditional curry “chicken” spread in a plant-based way containing chunky bites of tofu serve as a perfect balance of spiciness and sweetness. This curry spread goes well in a wrap, spread on a baguette, or topped on baked potatoes.

200 g | Shelf Life: 60 days | Article No. 3072
